

We Need Your Help !

District 43 is offering your home group an opportunity to work the fifth tradition in its purest form.... As a group, you can commit to take all 12-Step calls for a predetermined period of time. Talk to your GSR or stop by a District meeting.

How can you help? The answering service is using cell phones that are being manned by District volunteers. We need volunteers to commit to answer the phone on a 24/7 basis. The more persons involved, the less each individual has to do. The group is being asked to take responsibility for one or two phones for a month at a time. If your group lacks the numbers to take the whole month, try working with one or two other groups in your area. Your LCM may be able to help coordinate multiple groups' efforts.

5th Tradition:

Each group has but one primary purpose- to carry its message to the alcoholic that still suffers.
