

12 Step Work!

We Need Your Help

Let's make sure the Hand is always there!

District 43 is offering your home group an opportunity to work the 5th tradition in its purest form.... As a group, you can commit to the take all 12-Step calls for a predetermined period of time. Talk to your GSR, Stop by a District Meeting or Sign up on the Web Site. The group is being asked to take responsibility for one or 2 cell phones for a month at a time. If your group lacks the numbers to take the whole month, try working with other groups in your area. Your LCM may be able to help coordinate multiple groups' efforts.

District Meetings are on the 2nd Sunday of every month
At the WSFC starting at 1:00 pm
